Dolomiti Super Ski information -

12 skiing areas are united under the Dolomiti Superski umbrella. The Dolomiti Superski Pass is valid on 450 lifts that serve 1220 km of slopes. In Cortina skiers have the choice of 5 different skiing areas: All five areas are connected with ski lifts or by ski bus. Cortina's 140 km of pistes will satisfy all skiers, from the easiest for beginners to the steepest and hardest for experts. 33% are blue, 62% red and 5% black. The pistes are served by a total of 51 lifts: 6 of these are cable cars, 29 chairlifts (6 detachable) and 16 surface ski lifts, vertical drop 1715meters
