Schedule of Events

10:00AM – 12:00 Noon:

- Organized hikes for all levels of interest
- Bike rides (street/mountain) based on Interest (Huddart Park is in the hills below Kings Mountain so even Lance Armstrong can have fun here!)
- Social bike ride (where no one is left behind) along the shady streets of central Woodside where we catch glimpses through the trees of Oracle Founder Larry Ellison's Japanese Castles and the equestrian estates of the Uber-rich !
- **For Bike Rides, RSVP is a must with Bill Moller - 650.578.7330.**

Catered Lunch - 12:00 noon to 2:00PM.

- Choose from **1/4 Chicken** or **Hand Made Gourmet Hamburger** or **Gourmet Veggie Burger**
- There will be plenty of sides along with Beer, Wine, and Assorted Bevs. We will throw some extra dogs on the grill for the Extremely Hungry :-)

2:00PM – on:

- Our Game Masters are hard at work planning games for after lunch where skill and strength may be of little use but a sense of good fun will be the key.
- Bring a blanket for snoozing on the grassy area.

Directions: From Highway 280 in San Mateo County, exit Woodside Road (Highway 84). Drive west through Woodside about 1.5 miles, turn right onto Kings Mountain Road, go about 2 miles (narrow road - watch for cyclists, motorcyclists, and deer), turn right into the park. Parking is \$5.00 (Carpooling suggested). No signs allowed in the park but the Rangers in the Gatehouse know who we are and can direct you to the West Meadow Picnic Area. Other park rules you should be aware of:

- * No dogs or pets are allowed in the park (even if kept in vehicles).
- * No amplified music (Bring your tubas!).
