Portes du Soleil

Morzine, the largest town of all the "Portes du Soleil" resorts, is located in the center of the 400 mile ski circuit linked by 204 lifts. Choose to ski the French resorts or the Swiss side, one lift ticket does it all. An immense range for cross country skiing is available with numerous marked trails. Apres ski is exciting, with many tropical bars, discos and restaurants to choose from or you may enjoy a hockey game or figure skating exhibition at the Ice Palace. Morzine, an authentic alpine savoyard village offers many activities for nonskiers alike: skating, hiking, shopping, guided tours of historical Morzine, guided tours with snow shoes around Morzine and sleigh rides and adventure parks. Morzine... something for everyone.
