Heavenly is open and Palisades has the lower parts open. Kirkwood has 12 of 13 lifts open. Northstar's back side is not open. Royal Gorge has 13 of 137 trails open. Snow amounts and staffing are two problems for resorts.

Club Activities:

SOUTHBAY – There are no current activities.

APRES – Apres has a new lodge manager. A work weekend will be held on May 18 with great socializing.

FIRE AND ICE - Benelia reported that members did the annual Christmas Day and New Years Eve hikes to Mission Peak.

MONTEREY – Members sold 816 poinsettias in December, more than last year. The holiday party at a new location was held in December. Some members are going on FWSA trips. The upcoming golf ATT Pebble Beach Pro-Am golf tournament is for professionals only and very different this year, and volunteering options are available.

INSKIERS - Inskiers has a new cabin this year and the first time at Donner Lake. Membership is holding steady.

MODESTO – Maarten reported the lodge is in top shape. Modesto Ski Club is changing the club's website to a Club Express platform.

CASTRO VALLEY – The club is holding board and general meetings.

RUSTY BINDINGS – Members had a successful holiday party on Dec 10. The planned hike was cancelled. Members plan events about monthly at the Campbell Theater, 636 Ward St, Martinez, which holds about 100 people and can be rented for a group. Pickleball is a popular event. Tony Baker is planning a Super Bowl party for members to be held Feb 11.

SNOWCHASERS - Snowchasers has two in-person meetings per month.

BAC Meetings -

PARKING AT CALIFORNIA SKI RESORTS IN 2024

A brief description

The 5 big resorts around Lake Tahoe have instituted parking reservation system. Why? There has been gridlock on the weekends which make it impossible for emergency vehicles to have access. So, for safety reasons (and I am sure there are others) these resorts have instituted a reservation system. Mammoth Mountain has pay lots and free parking, yet no reservation system.

For the latest and most detailed explanation of the system at each resort, go to the ski resort website. Northstar, Kirkwood, Heavenly and Palisades (includes Alpine), now have restrictions that are used on weekends and peak dates. They all encourage using other transit options.

Janet Spencer
BAC Industry
Liaison

DIRECTOR REPORTS

Universally, if you have 4 or more skiers in your car, you get free parking. You will pay \$20 for reserved parking yet there are free lots. Most resorts have free parking after 12 noon. In the case of weekend parking at Palisades, you still need to make a reservation yet you cannot until after 7 pm on Tuesday night and only for the following weekend. Palisades allows you to reserve for more than one date ahead of time as long as you are willing to pay.

Heavenly only restricts parking at the California base and Heavenly Village. Northstar does not charge for Castle Peak and Village lots during the week (except peak dates). Kirkwood doesn't use a reservation system and I suggest you check their website for information on which lots have fees. Chair 9 and Volcano lots are carpool only.

I have not been able to find information about the consequences of not showing up for a reservation, free or otherwise. My personal solution: ski out of state or midweek.

We still have room on the BAC Minitrip to Montana, March 3-9. Send an email to get more information. Jspen52@gmail.com

A note from Haakon Lang-Ree

– “We’re all excited about our continued growth in programming. After a lull during the pandemic, this season will likely be our busiest ever! Pre-2020

we had experienced four years in a row of record lessons taught and we’re back on track now. The best part of the pandemic for us was that it gave us time to develop our summer program, adding hiking, archery, climbing, and equestrian activities.

We need volunteer instructors more than ever. In this wonderful ski season, go to the website for programs, information, and an option to volunteer –
